

Two exclusive Screenings of "Spirit of the Marathon"
for HSBC Calgary Marathon participants (all race distances) and their guests

Spirit of the Marathon is the first ever non-fiction feature film to capture the drama and essence of the famed 26.2 mile running event. Filmed on four continents, the movie brings together a diverse cast of amateur athletes and marathon luminaries. It's an inspiring film suitable for all runners – not just marathoners.

Visit www.marathonmovie.com/home.html for more details.
